

## 4501 Fiber Optic Coiled Cord

### Connecting the Cord

Attach one connector end to your strobe, and the other end to your housing so that the fiber optic cable is pointed toward the camera flash.

Each Connector End contains an O-ring to assist in attachment. O-rings are not intended to provide a waterproof seal and we do not recommend applying lubricant to the o-rings.

## **Customer Support**

Ikelite Underwater Systems  
Service Department  
50 West 33rd St.  
Indianapolis, IN 46208 USA

Email: [ikelite@ikelite.com](mailto:ikelite@ikelite.com)  
Phone: 317-923-4523

## **Limited Warranty**

This Ikelite product is warranted against any manufacturing defects for a period of one (1) year from the original date of purchase. Defective products should be returned to Ikelite postage paid. Ikelite will, at its sole discretion, repair or replace such products, and will return to customer postage paid. All other claims of any nature are not covered. Except as mentioned above, no other warranty expressed or implied applies to this Ikelite product.

## Returning Products for Service

Ikelite is most interested in performing any service to ensure that all products perform as intended. Evidence of purchase date must be provided to obtain warranty service. No prior authorization is required. You may return directly to us or through your dealer. Please include a brief description of the problem, any relevant email correspondence, and/or instructions. Always include name, shipping address, email address, and phone number inside of the package. Send postage paid to:

*Ikelite Underwater Systems  
Attention: Service Department  
50 West 33 Street  
Indianapolis, IN 46208 USA*

No reimbursements for postage paid will be issued.

**Note:** Ikelite does **not** repair cords. Cords sent in for service that are found to be defective will be replaced.

## Returning Products for Service (outside the United States)

For the separate international customs documentation form that you complete to accompany the shipment, please state or designate that the enclosed products were originally manufactured in the USA and are being returned to the manufacturer for repair service. Value of the equipment listed for customs purposes should be zero.
